1	9/2/2013	Establishment of an intern program designed to assist members of the community	From September 2013 through December 2013 our SEU hosted approximately thirty interns from various colleges and universities around the country, including Northwestern University, Columbia College, Illinois Center for Broadcasting, DePaul University and Harold Washington College. These students learned about experienced careers in broadcasting from our Communications department under the supervision of our VP of Communications, our Sales department under direction of our National Sales Coordinator, our Programming division under our head Programming Assistant and our Promotions unit under our Promotions Coordinator. All interns earned college credit for their participation in the program.	6		1.00
2	10/7/2013	Establishment of an intern program designed to assist members of the community	From October 2013 through August 2014 the SEU aligned with the Urban Alliance Foundation (UA) to host, train and educate one (1) UA participant (i.e. Intern) for a minimum of 12 hours per week during the Intern's scheduled school year, yet not to exceed 32 hours per week during the summer. The SEU identified a Mentor (Tommy Austin, VP -Programming) to serve as the primary contact for UA and the Intern. The Mentor was responsible for coordinating and monitoring the Intern's daily assignments, schedule, hours and general internship experience. The agreement between the SEU and UA was designed specifically to foster and edify one select participant who is seeking a future career in radio and/or radio broadcasting. The Intern, specifically, gained a plethora of knowledge and experience within our Programming department directly under the supervision of the Mentor.	1	VP-Programming	1.00
